

EYFS

Phonics and Reading

Phonics is taught every day in Reception as a lesson but is also taught throughout the day to revise the phonemes we've previously learnt.

We also follow the Little Wandle Letters and Sounds revised programme. Little Wandle Letters and Sounds Revised is a complete systematic synthetic phonics programme (SSP) developed for schools by schools.

When the children become familiar with the letter sounds they begin to blend letters together to read words.

You can get information on this method of teaching phonics on the following website
