ZAMBIA

Where is Zambia?

Zambia is a country in southern Africa.

It has no coastline and it is shaped like a butterfly.

Zambia is in southern Africa

What's the weather like?

Zambia has a tropical climate. This means that:

- It is warm for most of the year
- There is a dry season and a wet season
- In Lusaka, hardly any rain falls from May to September.

Grasses grow tall in the wet season in Zambia

Lusaka, Zambia's capital, from the air

Lusaka

Lusaka is the capital city of Zambia.

More than two million people live in Lusaka.

The River Zambezi

One famous river in Zambia is the mighty Zambezi.

It is home to many different types of fish, including tiger fish!

The Zambezi flows over Victoria Falls, one of the world's largest waterfalls.

The River Zambezi tumbles over Victoria Falls

ZAMBIA

National Parks

There are many national parks in Zambia.

The government protects this land and its special wildlife.

Elephants, hippos, buffalo, giraffes, lions and leopards all live here.

A pod of hippos

Towns and villages

Lots of people work in mining in Zambia. Precious stones such as emeralds and a metal called copper are found deep underground.

An area in the north is called the Copperbelt. Here, lots of people live in cities and towns. They are very busy places!

But a lot more Zambians live in the countryside, in villages and on farms. People who live in rural areas grow most of the food they eat.

ZAMBIA

Where is Zambia?

Zambia is a country in southern Africa. It has no coastline and it is shaped like a butterfly.

Take a look at a map or globe. Can you find Africa?

Zambia is in southern Africa

What's the weather like?

Zambia has a tropical climate. This means that:

- It is warm for most of the year
- There is a dry season and a wet season
- In Lusaka, hardly any rain falls from May to September.

Grasses grow tall in the wet season in Zambia

Lusaka, Zambia's capital, from the air

Lusaka

Lusaka is the capital city of Zambia. It is where you'll find the international airport, government buildings and the country's largest university.

Lusaka is home to more than two million people!

The River Zambezi

One famous river in Zambia is the mighty Zambezi. It is home to many different types of fish, including tiger fish!

The Zambezi flows over Victoria Falls, one of the world's largest waterfalls. Victoria Falls is also known as 'the smoke that thunders'. Can you guess why?

The River Zambezi tumbles over Victoria Falls

ZAMBIA

National Parks

There are many national parks in Zambia. The government protects this land and its special wildlife.

Elephants, hippos, buffalo, giraffes, lions and leopards all live here.

There are also colourful and unusual birds in these parks, including yellow-billed storks, vultures and shoebills. Shoe-bill? What a funny name!

A pod of hippos

Towns and villages

Thousands of people work in mining in Zambia. Precious stones such as emeralds and a metal called copper are found deep underground. An area in the north is called the Copperbelt. Here, lots of people live in cities and towns. They're very busy places!

A village in Zambia

But a lot more Zambians live in the countryside, in villages and on farms. People who live in rural areas grow most of the food they eat. You'll find sweet potatoes, tomatoes and corn in the fields and gardens.

Key words:

capital

coastline

copper

emerald

mining
